Our Coffee Beans

At Olea, we take pride in serving only the finest organic, single-origin coffee. The beans are carefully sourced to ensure the highest quality and a truly exceptional coffee experience. Our coffee beans come from nutrient-rich plots nestled in the Araku Valley, a region renowned for its rich biodiversity and perfect coffee-growing conditions.

The Araku Difference

Freshness in Every Cup: We roast and grind our beans to order, ensuring that every cup is as fresh and flavorful as possible.

Roast Profile: Medium Dark Roast

Flavor Notes: Dark chocolate, Toffee, and Sugarcane.

A Commitment to Quality

We believe that great coffee begins with great beans. By focusing on single-origin, organic coffee, we ensure that each cup you enjoy is not only delicious but also supports sustainable farming practices and the local communities of the Araku Valley.

Join us in savoring the distinct taste of our exceptional coffee beans. Each sip is a journey to the heart of the Araku Valley, where tradition and quality come together to create the perfect cup.
